## Best live sports app for apple tv

The best Apple TV apps can help you get more out of your Apple streaming device. There's everything from games and fitness apps to shopping and recipe apps. Like other streaming boxes, apple TV allows you to watch your favorite shows and movies, but stands out thanks to Siri's remote control (pretty much something to search for a voice) and its wide range of apps. If you order an Apple Arcade, you can play premium games on an Apple TV for just \$4.99 a month and pick up where you left off on your iPhone, iPad or Mac. Apple TV gives you access to all the best streaming services, from Disney Plus and Netflix to Sling TV. To make it easier for you to find the best Apple TV apps, we've all divided it into several categories, including streaming services, music and video, games, health and sports, and more. From apps that allow you to get uglier in movies and TV shows, until they're dedicated to solving puzzles, yoga and shopping, these are the best apple TV apps available. Protect your sensitive data from Mac VPN(Image credit: Disney) Disney Plus is one of the best Apple TV apps for anyone who cares a lot about Disney franchises, including Star Wars and Marvel. You also have access to original shows, The Simpsons and more. It costs \$6.99 a month and gives you access to the entire Disney catalog. And you can bundle Disney Plus with Hulu for just \$13 a month. The Disney Plus app apple tv has to have. DownloadNetflix(Image credit: Netflix)We want the Netflix app integrated better with Apple's TV app (which is a guide). But this service still offers access to a wide range of compelling original shows and movies, from Stranger Things and House of Cards to Luke Cage.DownloadAmazon Prime Video (Image credit: Amazon Studios)It took a long time, but Amazon Prime Video offers one of the best Apple TV apps for entertainment. Amazon's Prime Video gives you access to thousands of shows and TV shows, including a lot of free content if you're a Prime subscriber. You can also use the service to view Amazon's original series through the service. DownloadApple TV Plus (Image credit: Apple's)Apple TV Plus is one of the newest players in the Apple TV market, but it's worth streaming for your \$4.99 a month. With your subscription, you can access Apple's original program, including the morning screen and screen, among other things. Best of all, its visual quality and reliability is outstanding. DownloadHBO Now (Image credit: HBO)If you have cut the cord and want to watch some of HBO's outstanding content, you need to sign up for the company for \$15-a-month on HBO Now. With this you can watch all the HBO series and gain access to a large library of movies. HBO Now can even use sports, documentaries and other content to stream only to the network. DownloadYouTube TV (Image credit: Google)Cutting the cord is never easy and finding the right service to consider is even more difficult. However, with YouTube TV you may find it easy. The YouTube TV which costs \$50 per month, gives you streaming access to more than 70 channels, including local sports and news. It even features DVR support. It's the best Apple TV apps for those thinking about ditching the cable. DownloadHulu (Image credit: Hulu)If you're a Hulu subscriber, download this app from your Apple TV. The stream quality is stellar and you can watch everything from classics like Seinfeld (all nine seasons) to exclusives like The Mindy Project. In addition, Hulu integrates with Apple's TV app, so you can quickly access the shows you're watching from the Start screen. Oh, and check out our best Hulu movies guide when you're trying to decide what to watch. DownloadBest Apple TV music and video appsPandora (Image credit: Pandora) Pandora has long been one of the most popular streaming-music apps and its just one of the best Apple TV apps in music. The service allows you to create stations and curing songs according to your taste. As you might expect, the app contains large album art and easily inaccessible content. Pandora can be used for free, but you can also sign up for a paid version that eliminates ads. DownloadYouTube(Image credit: YouTube)As a fourth-generation Apple TV, Apple TV 4K is compatible with a key application that was not available in previous models: YouTube. After you download the free YouTube app, you can stream videos, movies, and more. The quality of the stream is quite good and the content width is impressive. DownloadApple Music (Image credit: Apple)Apple Music is the tech giant's \$10-a-month streaming music service. Once you sign up, you'll get to millions of songs on Apple Music, as well as curated playlists to listen to the music you love. Apple Music also offers a section for you so you can discover new music similar to the tracks you enjoy. DownloadDiscovery Go (Image credit: Discovery)If you are a Discovery Channel lover, the Discovery Go app is a must-have apple TV. The app allows you to watch all episodes and live TV on the Discovery Channel. And it's available to you for free on your TV subscription. The app includes Shark Week programming, Naked and Scared, and other popular Discovery shows. DownloadShowtime Anytime (Image credit: Showtime)Showtime Anytime is a must-have if you're a Showtime subscriber through your cable or satellite provider. This app gives you access to all the latest hits, including Homeland and Ray Donovan, as well as older favorites like Dexter.DownloadComedy Central (Image credit: Comedy Central) The Free Comedy Central app has a surprisingly robust amount of content, making it one of the best Apple TV apps. It offers a host of stand-up specials and gives you access to some of the network's best series, such as South Park and The Daily Show. There are also some short form content that you want to view. DownloadBest Apple TV game appsApple Arcade (\$4.99/month)(Image credit: Arcade)This year Apple launched its Apple Arcade game-streaming service. \$5 per month (or \$50 More than 100 Apple Arcade games, from simple and fun titles to more complex titles, to rival some console titles. Apple Arcade offers a game of fun for everyone in the family, and is one you don't want to miss if you like random but fun games. Read more Wonder Boy: Dragon's Trap (\$7.99)(Image credit: DotEmu) Wonder Boy: Dragon's Trap won the award for best Apple TV game for good reason. It offers an outstanding storyline, excellent-looking graphics and an impressive soundtrack. This makes all your time searching for treatment for your semihuman, semi-zizard problems even more enjoyable. The title costs \$7.99, but overall it's one of the best Apple TV games. DownloadDrawful 2 (\$9.99)(Image credit: Jackbox Games)Drawful 2 is a game like Pictionary that connects the touchscreen to your iPhone or iPad on your Apple TV to create a really compelling video game. The app requires you to draw different tips for your device and teammates to try to figure out what you are drawing. This is a fun family game you can play for anyone. DownloadJust Dance Now (Image credit: Ubisoft)If you are looking for a free party game that can get people off the couch and moves, consider picking up Just Dance Now. The app will show you how to dance more than 500 songs to some of the industry's biggest names, including Beyonce, Ariana Grande, and others. DownloadCrossy Road (Image credit: Hipster Whale)Crossy Road is one of the most addictive free games you can download on your Apple TV. This is the top-down title of the main graphics that asks you to just hop your way across the road. (Think Frogger.) It's easy, easy to play with and incredibly fun. DownloadAlto's Adventure (\$0.99)(Image credit: Snowman's) Grande's Adventure has been called one of the most compelling and visually stunning games on Apple devices, so it's perhaps not surprising that this app has earned a spot on our best Apple TV apps list. The game puts you in the village and immediately pushes you on an exciting adventure. DownloadSonic The Hedgehog Classic (\$2.99)(Image credit: Sega) There's something so charming about turning on your Apple TV and launching the Sonic Hedgehog Classic. The game offers the full Sonic experience you remember with all your crazy and fast-paced honor. DownloadMachinarium (\$4.99)(Image credit: Amanita Design)If you're on the lookout for a more sophisticated game, try Machinarium. Your goal is to help Josef the robot save his girlfriend with this quirky title. The graphics are beautiful and the gameplay is stellar. DownloadSky Force Reloaded (Image credit: Infinite Dream Inc. One of the most interesting and fun games on Apple TV, Sky Force Reloaded offers arcade-style, shoot-'em-up action 4K HDR. The game has 15 stages and a variety of planes to help you take on enemies and bring down the great bosses. DownloadFramed 2 (\$4.99)(Image credit: Loveshack)Framed 2 are some of the most interesting visuals of any game on Apple TV. In this noir puzzle game, you're tasked with making it comic shots to change the track. It is also quite easy to control the action via Siri remote control touchpad. DownloadRiptide GP: Renegade (\$2.99)(Image credit: Vector Unit)If you are looking for a game that can take advantage of apple TV 4K power and what looks like a traditional console title, Riptide GP: Renegade is a good choice. The game is a hydrojet racing title that feels fast-paced and fun. And with the ability to do viable tricks, you come back with more. DownloadBest Apple TV health and fitness appsAt Home workouts daily burn (Image credit: Daily Burn)If it's cold and you don't want to go to the gym, consider trying home workouts by Daily Burn. One of the best Apple TV apps, this free app comes with more than 1,000 audio and video workouts, as well as a new group of workouts every day. Better yet, you can choose from a variety of workouts based on which part of your body you are looking to target. DownloadCalm (Image credit: calm)There are few things more important to your health than your mental health. And calm, you can go a long way to help yourself meditate and improve your emotional well-being. Calm can also be used to relieve you after a long day and help you sleep. So, whether you want to meditate, sleep, or just feel better mentally, the free Calm app is for you. DownloadYoga Studio (\$3.99)(Image credit: GAIAM)Yoga Studio is an application designed to get you back into the Zen way of life. It provides guidance on how to get to different positions, and works well for both beginners and experts. It's one of the best Apple TV apps for fitness because it's like having your own personal yoga tutorial in your living room. DownloadWhite Noise (\$0.99)(Image credit: Mike Kotsch)Sometimes a little meditation goes a long way. And that's where the 99-cent White Noise app comes in. The app allows you to select a number of sounds designed to help you focus. This is a nice app to have after a long day at the office. DownloadAlo Moves(Image credit: Alo LLC)Alo Moves is an application formerly known as Cody. But it still comes with all the great yoga you'd expect from an earlier version. The app features different classes you can view, as well as practice videos, so you can work with specific poses and other techniques to improve your skills. Best of all, the app is free. DownloadBest Apple TV sports appsESPN Plus (Image credit: ESPN)If you're a UFC fan or just want more access to sports on your TV or go, you want to order a \$5-a-month ESPN Plus. The best Apple TV app for a sports fan, this streaming service allows you to watch every UFC pay-per-view fight and gives you access to everything from basketball and baseball cricket and rugby. ⚡The staff is very good and helpful. DownloadMLB At Bat (Image credit: MLB) Major League Baseball has invested heavily in Apple TV, the organization's MLB At Bat app. The program allows you to stream select live games and highlights, and includes live pitch tracking so you can see how the team is pitching the batter. Add to your live scoreboard and team tracking, and MLB At Bat is the winner. DownloadWWE Network (Image credit: WWE) Wrestling fans now have more options, thanks to AEW, but in the world of wrestling, WWE is still tops. And for \$10 a month on the WWE Network, you can access all of WWE's pay-per-views, including Wrestlemania, as well as the entire library of programming. WWE is also adding a lot of new, original content to make its service even more appealing. DownloadDAZN (Image credit: DAZN)If you are a boxing fan, you may know that trying to access the latest and biggest fights is not so easy. But there comes DAZN. The streaming app allows you to access all the latest boxing matches, as well as a variety of mixed martial arts fights. The service costs \$99 a year or \$19.99 per month. DownloadBest Apple TV research and learning appsPBS Video (Image credit: PBS Video)One of the best Apple TV apps, PBS Video offers access to all PBS programming that will help you watch whatever you want if you want the service. It includes thousands of full-length PBS series episodes, documentaries and even programming affiliate networks. DownloadNASA (Image credit: NASA)NASA app is one of the most interesting and thought-provoking Apple TV apps that allows you to see videos on spacewalks, the latest space images captured by NASA, incredible videos, and so much more. Best of all, the app even features live NASA TV streaming, so you don't miss a minute of action. It's available for free. DownloadThe Explorers (Image credit: Explorers Network)If you are someone who truly appreciates the beauty of the world, see more than Explorers. Apple not only called it the best Apple TV app of the year, but Explorers offers beautiful and vibrant visuals designed to help you see the beauty of animals, landscapes and everything else the world has to offer. DownloadUdemy (Image credit: Udemy) Udemy is an outstanding app if you want to educate yourself about all these things that maybe you just didn't have time to pick up. The app is essentially an online learning marketplace that offers more than 80,000 courses across an impressive slate of categories, including coding, marketing and even self-defense. It even teaches you how to play different instruments. DownloadTED(Image credit: TED)If you are in the mood to learn, download the free TED application. The best Apple TV app for anyone looking to earn, it's a constantly updated repository for all the TED and TEDx talks you want to watch. The search function of the app is also stellar. DownloadBest Apple TV kids appsEndless Learning Academy (Image credit: Initiator Inc) Parents who are looking to occupy their children but don't want to leave kids useless entertainment they might want to check out at endless learning academy. The application is ideal for children from pre-school to first-class age and offers a variety of learning And with compelling design, this app should keep your kids engaged. DownloadiBooks StoryTime (Image credit: Apple) Apple's iBooks StoryTime is a welcome app for spending evenings with children. Just turn on the free app and select the story. The app then tells the story and offers visual elements to make the story more interesting. DownloadAmazon App (Image credit: Amazon) Getting a shopping itch? If so, Amazon is covered for you. The company offers a free Apple TV app that lets you search for site listings and make purchases. The app is a convenient search tool and easy layout, and makes it almost too easy to spend a lot of money on short games. DownloadNest (Image credit: Nest)If you are a Nest Cam user, download the free Nest app. You can see the live stream of your security camera whenever you want. If you're a Nest Aware subscriber, you can also view stored content. DownloadBest Apple TV art and landscape appsCityscapes 4K by Magic Window (Image credit: Magic Window)If you hope to relax and watch some gorgeous shots from around the world, Cityscapes 4K magic window is for you. The hotel has time-out city views from around the world, which will be displayed in 4 K HDR. You can travel to New York, London, Paris and Tokyo.DownloadBest Apple TV travel and weather appsKayak (Image credit: Kayak) Kayak is one of the best Apple TV apps because it helps you book your next holiday without ever leaving your couch. The app allows you to search for different locations, hotels, cars and other holiday must-haves before your trip. It's looking for hundreds of travel sites to find the best solution for you, and it works extremely well. DownloadWeatherMap + (\$2.99)(Image credit: WeatherMap) a number of weather apps are available in the Apple TV App Store, but WeatherMap+ is the best. This allows you to pan around the world to see a variety of weather events in addition to the standard weather content that you expect. Download wait. Download
